After their last devastating encounter with Blue Breaker, Honoka and the others try to pick up the pieces, but there's not much time to recover. The cold blue enforcer is closing in fast, and this time, there's nothing holding him back. She may be outmatched and outgunned, but Honoka isn't about to give up without a fight!

Meanwhile, something dangerous has begun to stir out in the desert. It's got the Third worried, and when the Third are worried, others should be terrified...
